protocols.**

**In simple words..**

It is a **simple, fast and powerful** media player that plays everything.

**So, lets start up ..**

# Open your web browser

Chrome

Firefox

Internet Explorer

Konqueror

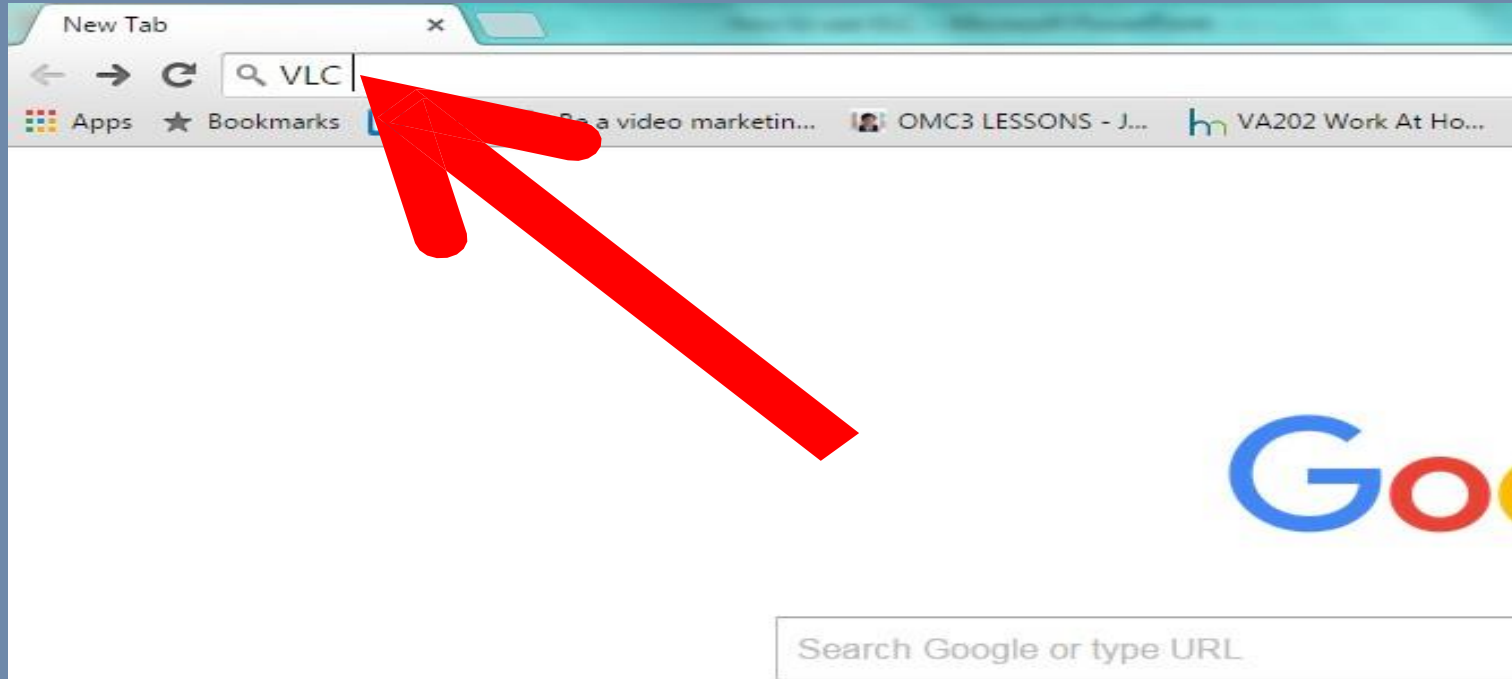

Opera

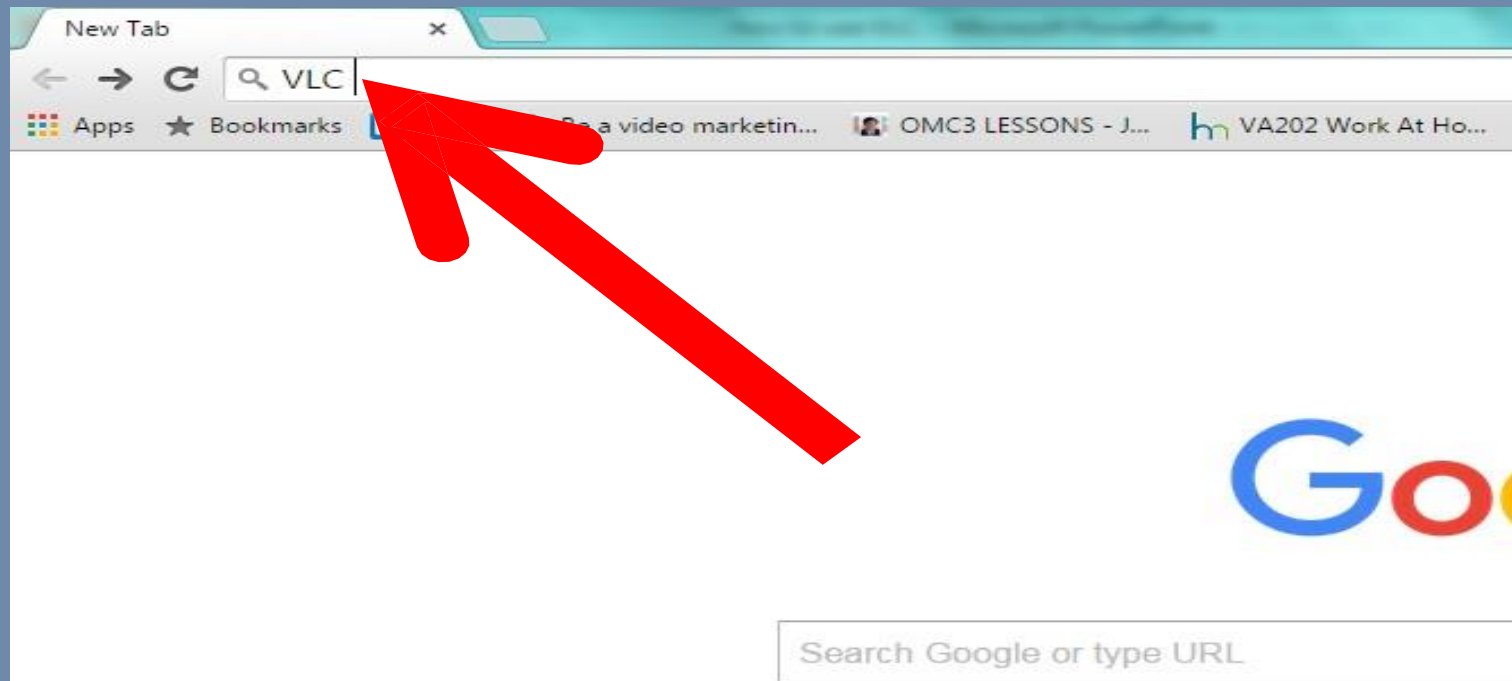

Safari

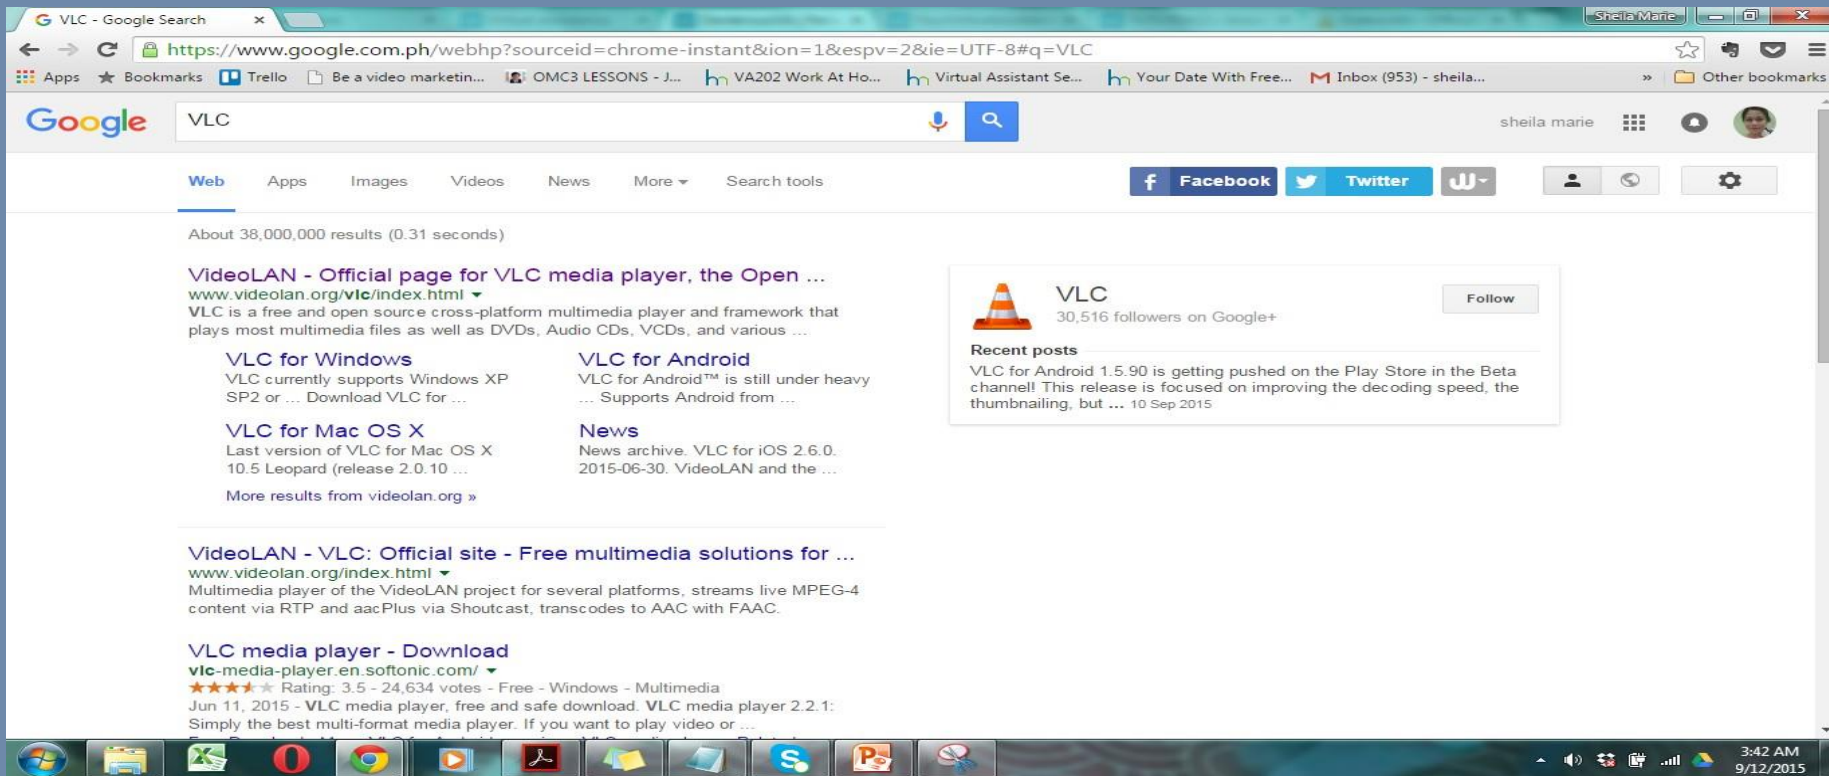

# Type in VLC here..

# Then **press enter.**

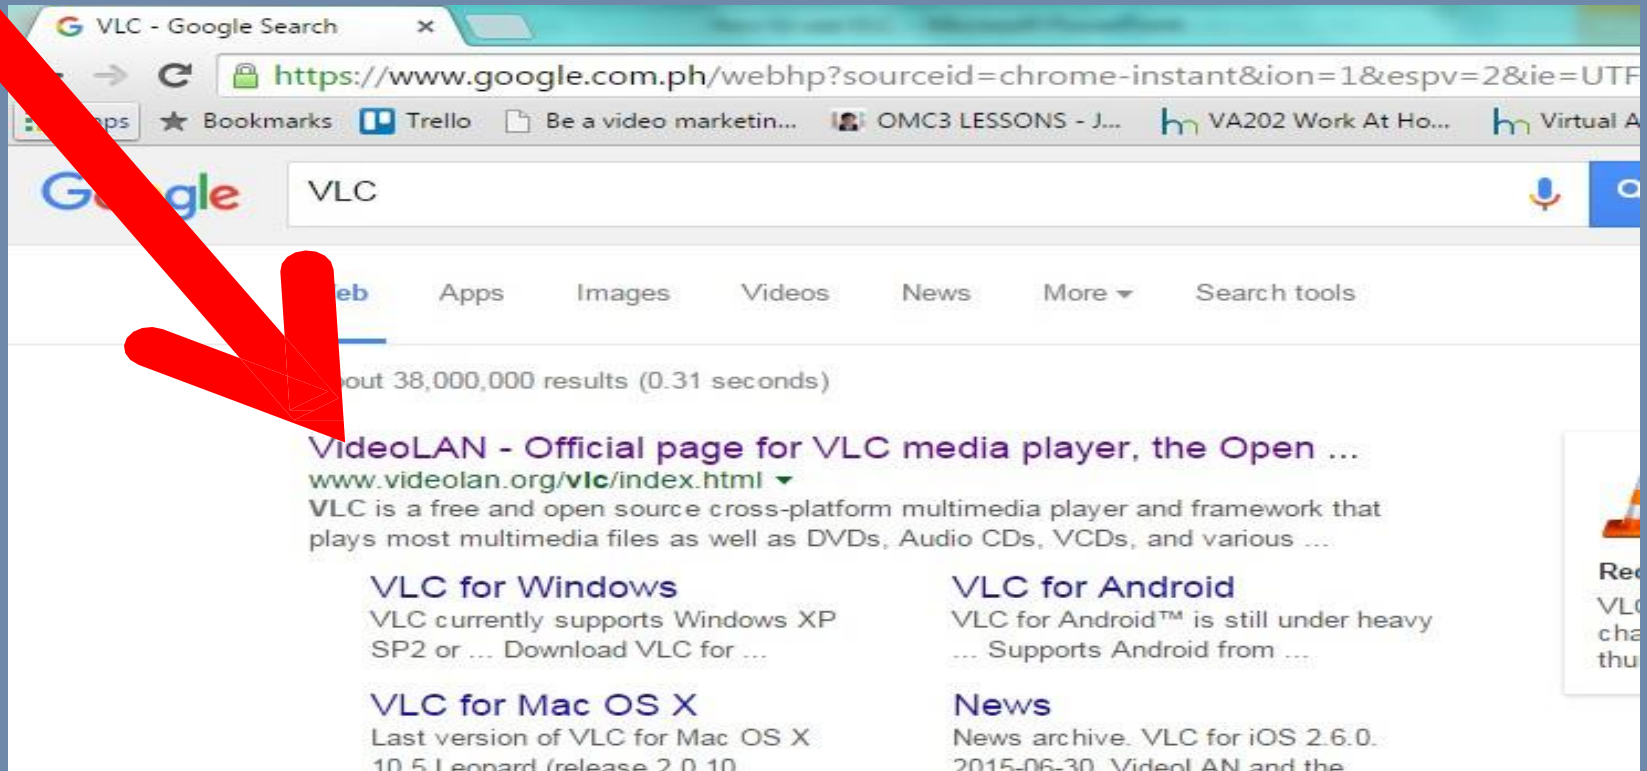

# This will appear..

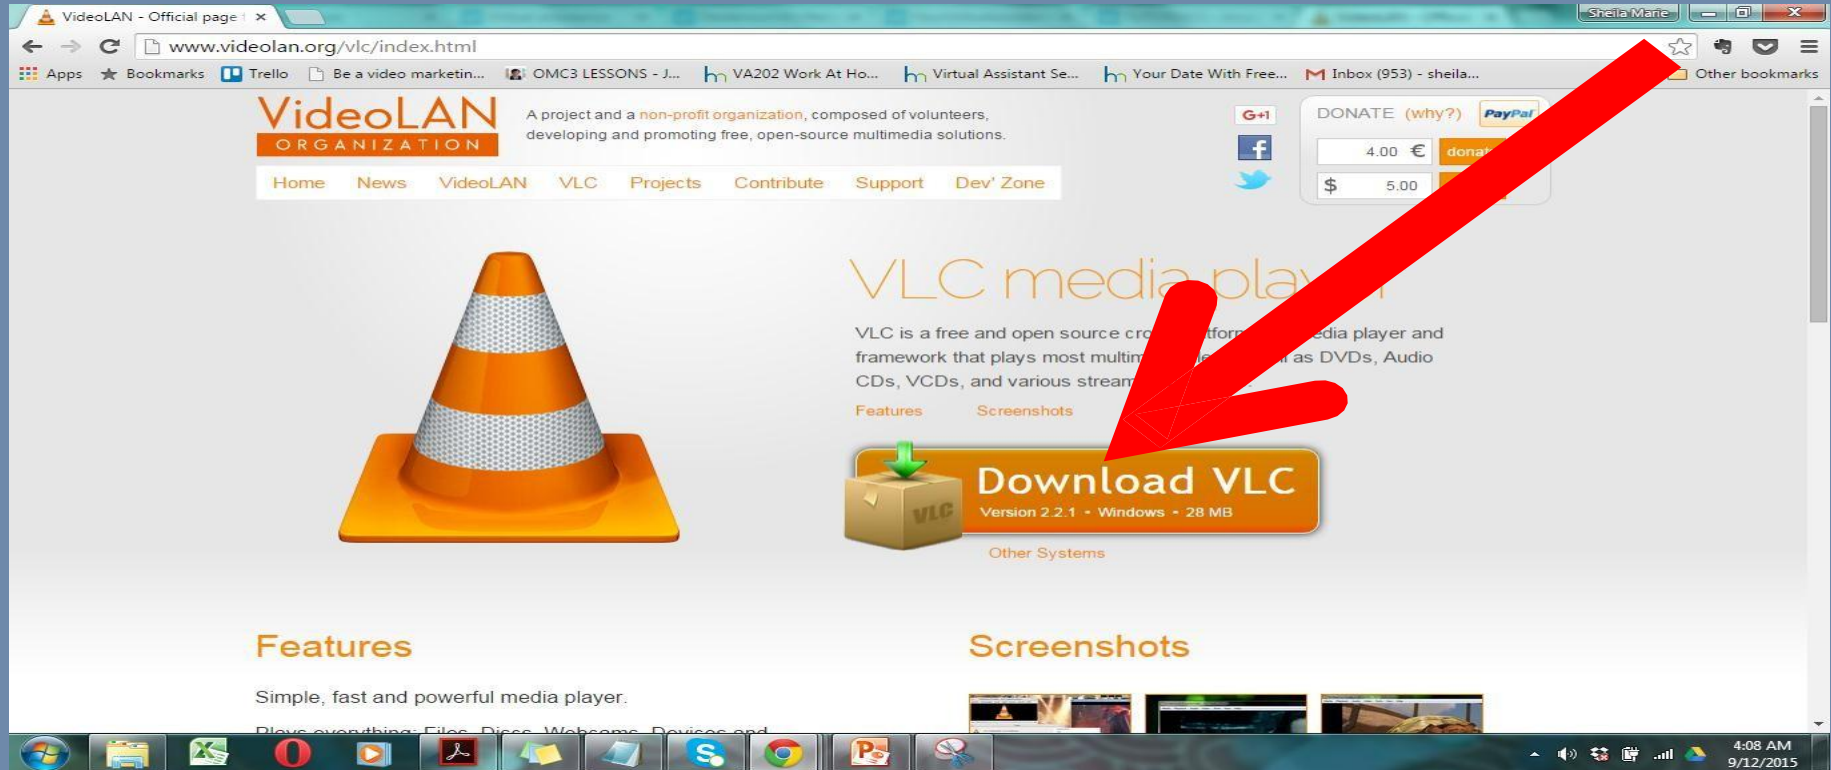

# Click this link..

**You will be directed to the  
VLC site**

# Click Download

The screenshot shows the VideoLAN website with the VLC media player download button highlighted by a red arrow. The website header includes the VideoLAN Organization logo and navigation links. The main content area features the VLC media player logo and a large orange button labeled "Download VLC" with a green download icon. Below the button, it specifies "Version 2.2.1 - Windows - 28 MB". A red arrow points from the top right towards the download button. The bottom of the page shows a Windows taskbar with various application icons and the system clock displaying 4:08 AM on 9/12/2015.

# Click Run

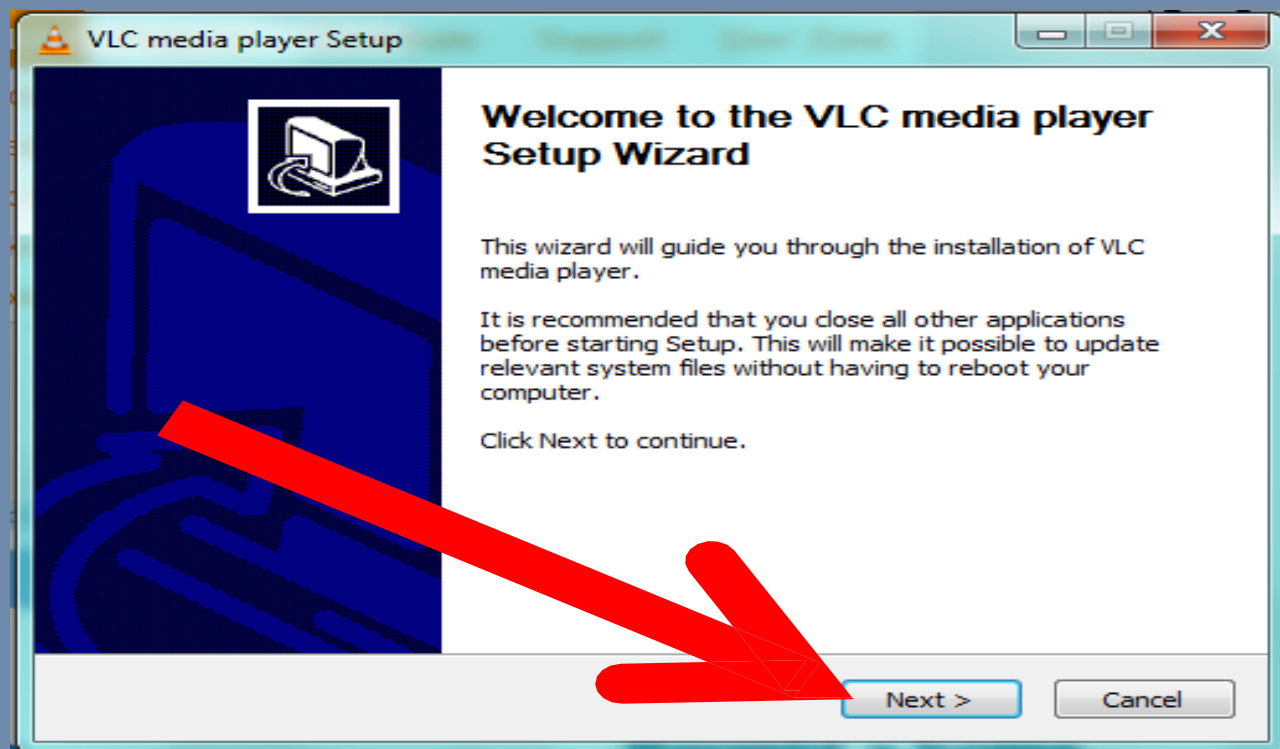

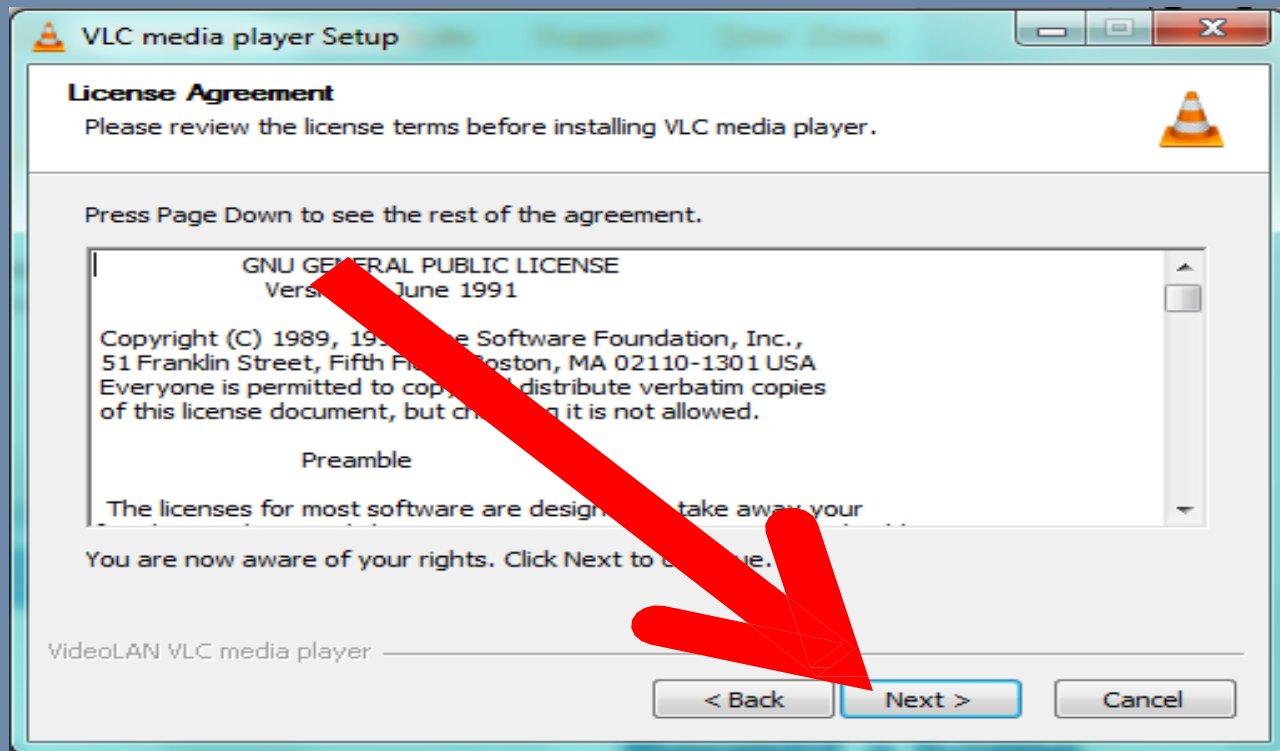

# Select **OK**.

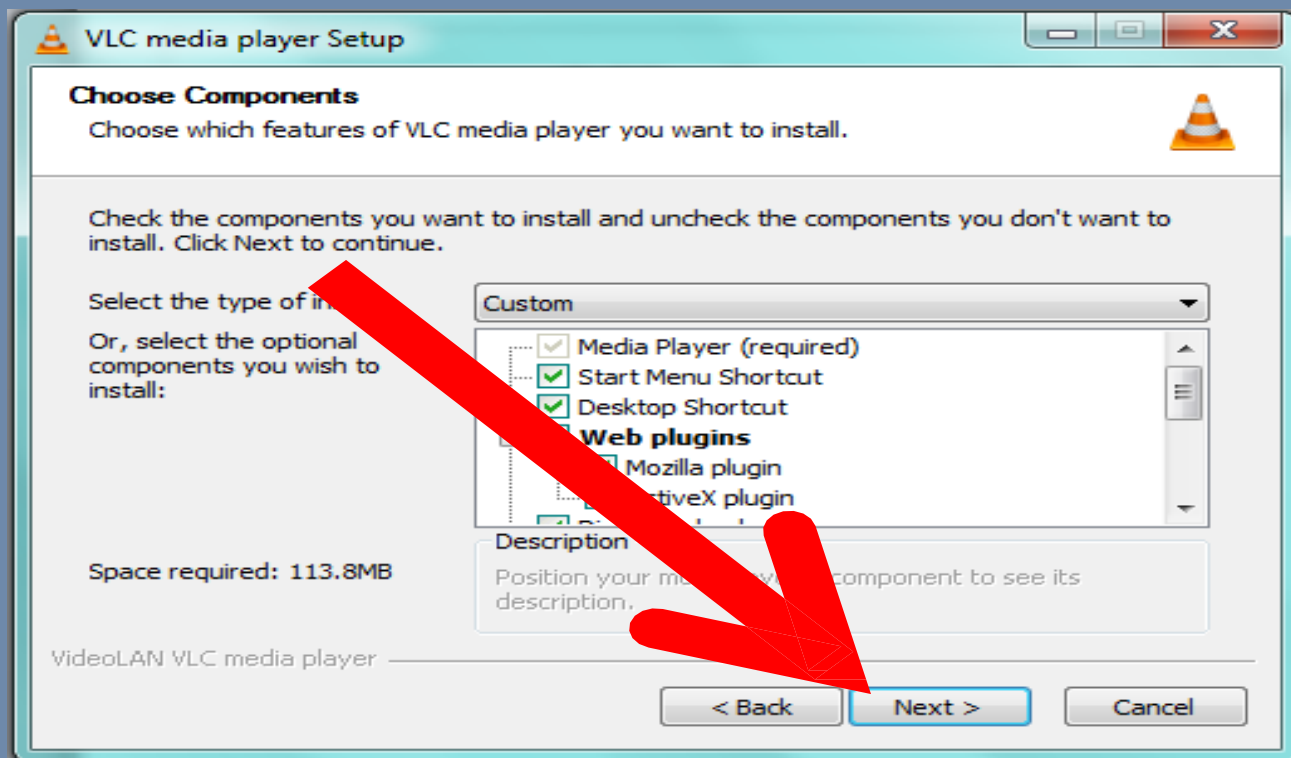

# Select **Next**.

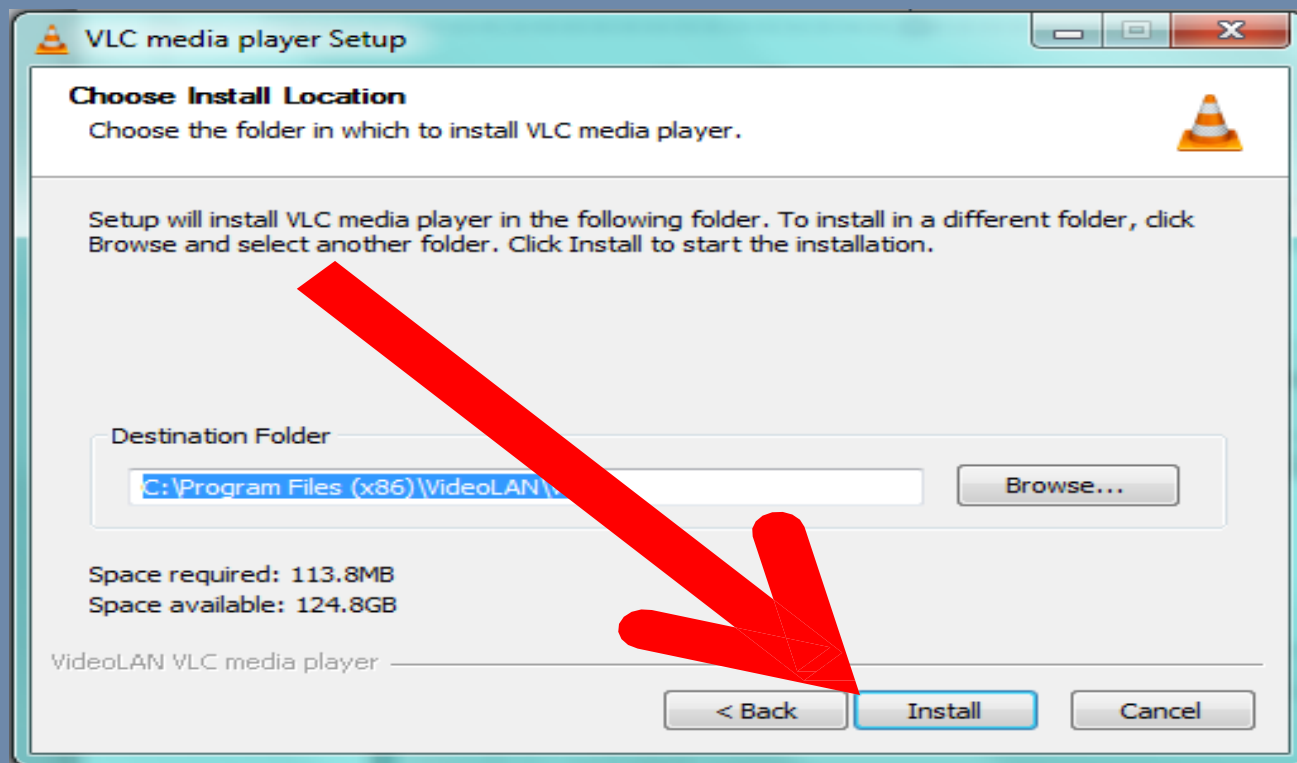

# Click Next

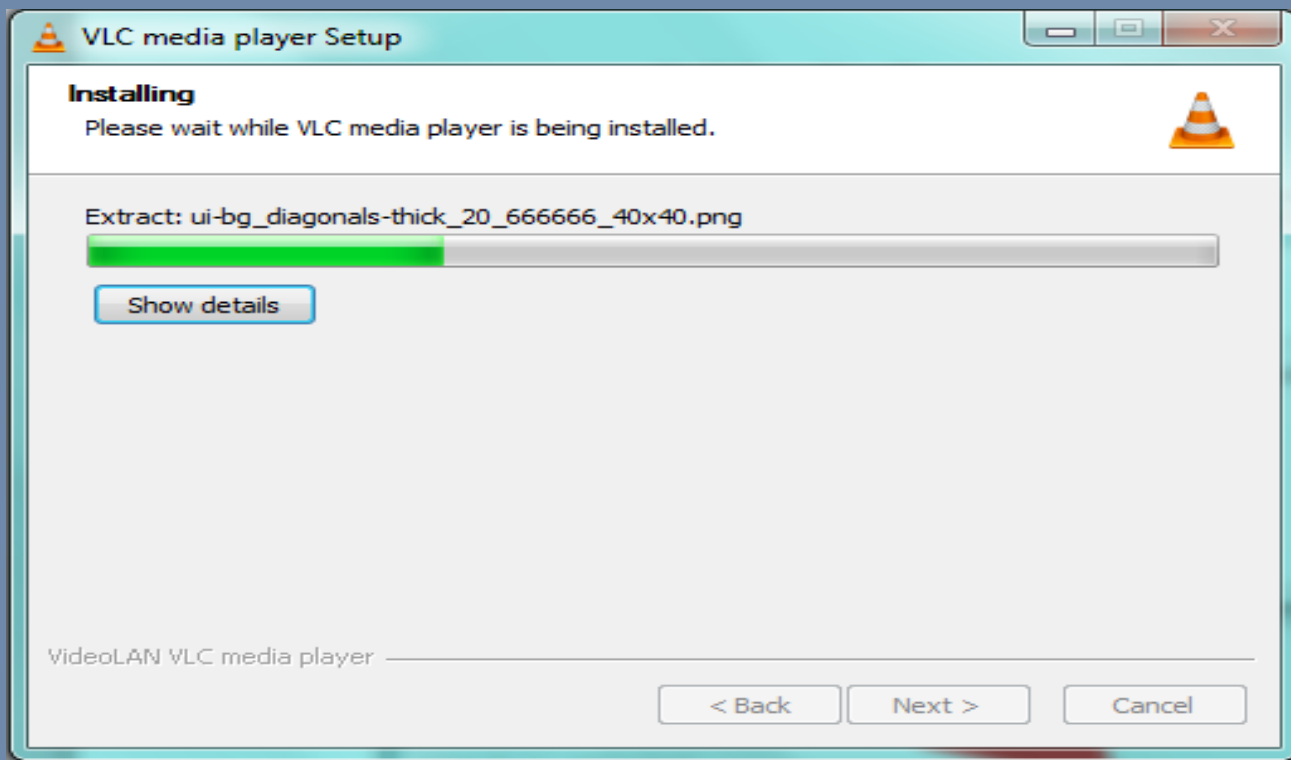

# Select Next

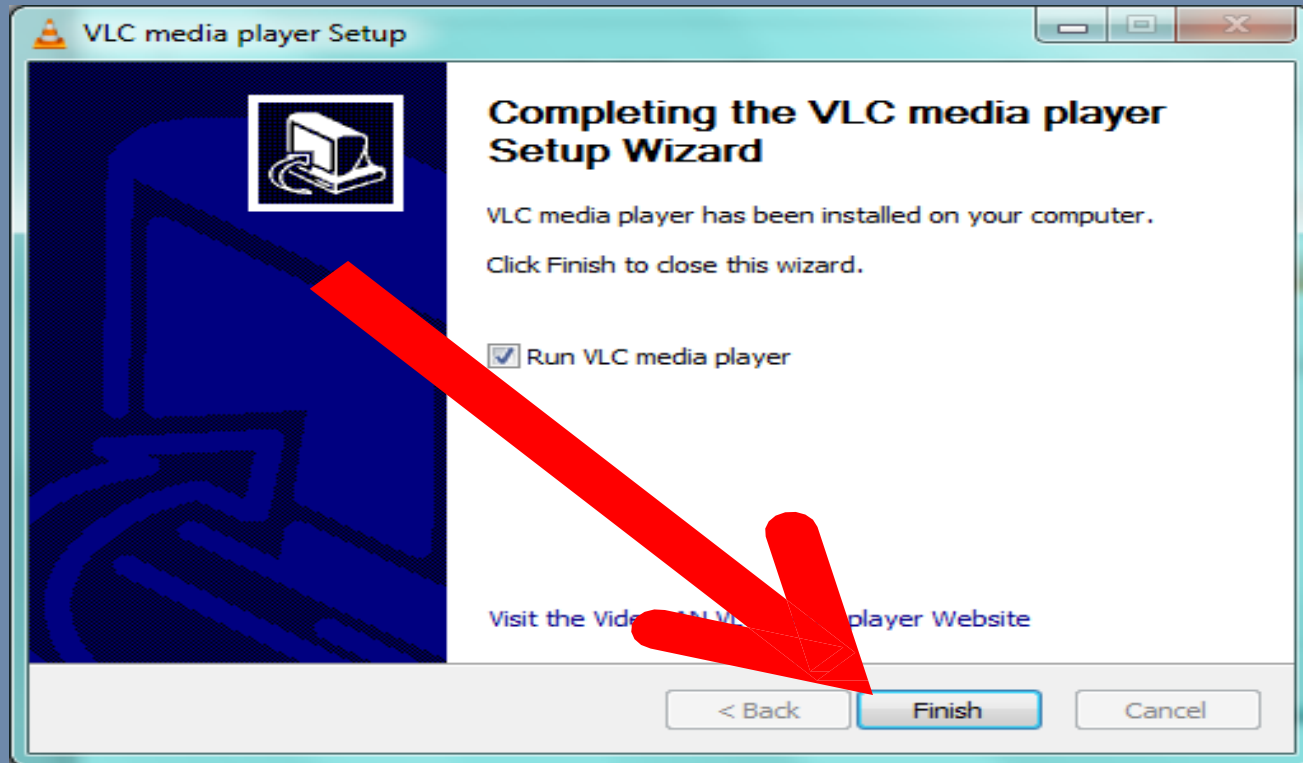

# Click Install

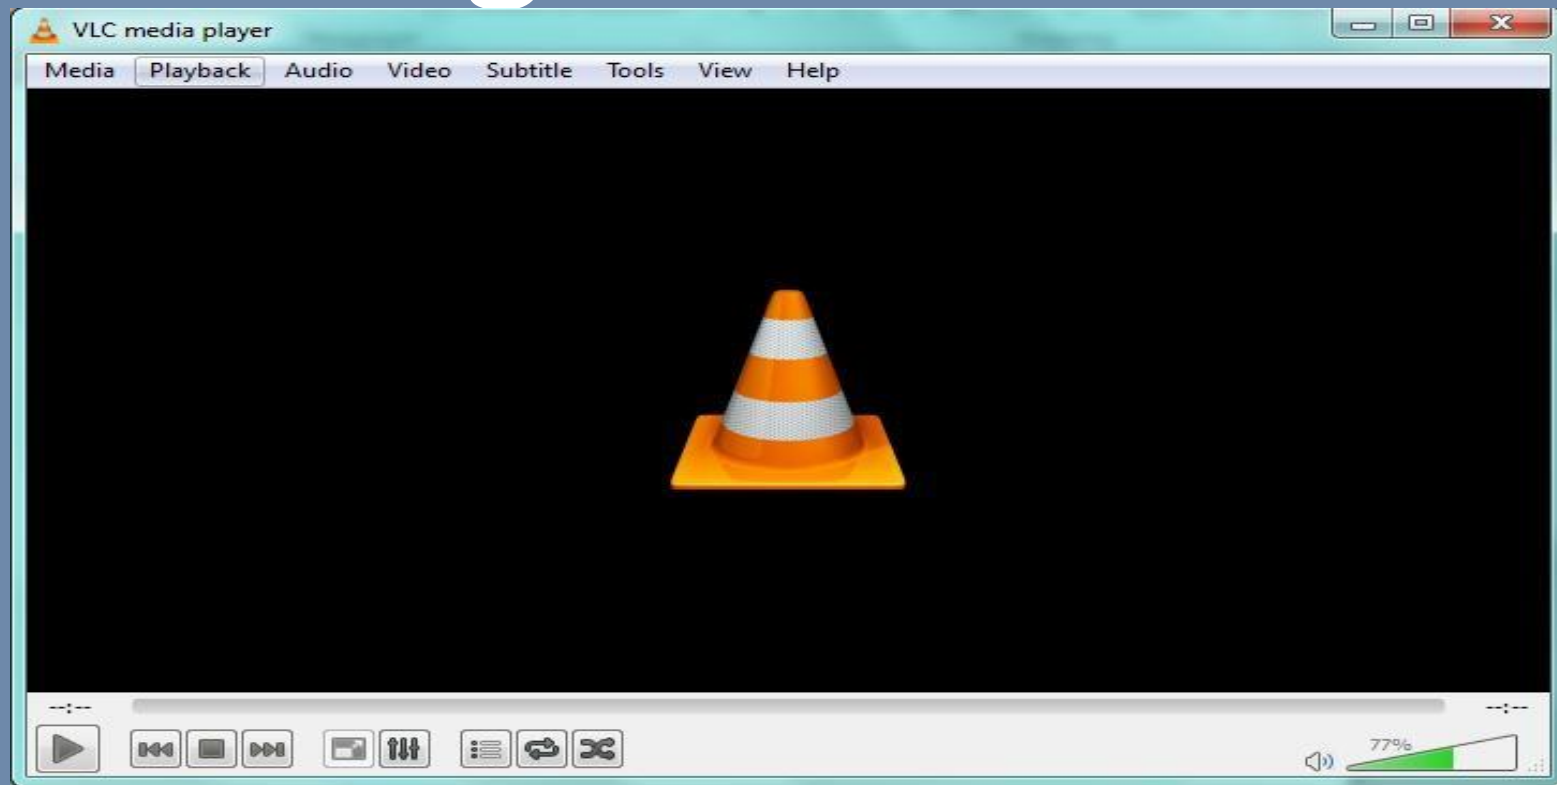

# Installation ongoing ..

# Select **Finish**.

# Congratulations!

**Your VLC is installed!**

# Observations

- The installation process was smooth and quick.
- VLC successfully played various file formats (MP4, MP3, AVI, etc.).
- Learned about the importance of VLC as a versatile classroom tool for audio-visual learning.

# Conclusion

This practicum gave me hands-on experience in installing VLC Media Player, an essential multimedia utility. VLC will be useful in educational settings for playing videos, audio lessons, and other multimedia resources to support teaching and learning.

# ACKNOWLEDGMENT

Thanks to:-

Dr. Rajib Mondal, Principal , Purnadisha J.T.T. College

Mrs. Sanghati Mondal, TIC, Purnadisha J.T.T. College

Mrs. Shweta Ghosh Moulick, Faculty , Purnadisha J.T.T. College

Mr. Priya Ranjan Das, , Faculty , Purnadisha J.T.T. College

Mr. Pallab Bid, Faculty , Purnadisha J.T.T. College
